Did He Say Hate?

I had an interesting meeting with a mum when I was a parish youth minister a few years ago. The woman's daughter had spent a lot of time with us at youth-group activities. So Mum wanted to make sure we were all okay.

I tell that story because this Gospel highlights this fact for many young people: Active discipleship can raise questions at home. Some parents get concerned when their teenagers start making friends their parents don't know. Bad church experiences can make it hard for some parents to accept a child's good experiences. Parents who want more family time can get frustrated when a child wants to spend more time at church activities.

So your commitment to Jesus might cause friction at home, but don't misunderstand the Gospel, Jesus says to "*hate*" people, but according to Scripture scholars, he doesn't mean we should feel hatred. He means we should choose God's will over all people and things. And that should make us treat family and friends with more love.

If your faith choices do cause friction at home, here are some tips for responding with love:

Talk and listen

Many parents just want to know what you're up to. Make time to discuss your faith choices with them.

Be patient

Many parents struggle with faith. That can make it hard for them to understand yours.

Value family time

Don't forget that discipleship calls us to serve our families, not just our parishes, youth groups, and the poor.

Seek help

If tension is high at home, find someone to dialogue with who can help your choose a Christian response.

Give them a break

It's tough raising young people – even a Christian one.

When has a faith choice caused friction between you and your parents or friends?

PARISH UPDATE

One of the more well-known benefits of **volunteering** is the impact on the community. **Volunteering** allows you to connect to your community and **make** it a better place. Even helping out with the smallest tasks **can make** a real **difference**. We are looking for volunteers to cover various ministries within our parish.

Choirs: We are several choirs down and require musicians & singers for ALL our Masses. They is one new choir on Sunday morning who would like to hear from anyone who would like to sing with them on 04th Sunday morning of the month.

Communion Ministers: There are several ministers who have stepped up and are now covering several rosters. Therefore we are looking for more ministers at ALL our Masses to take on this ministry.

Altar Servers: Sunday morning and Sunday evening Masses are in need of altar servers. If your child would like to be involved in this magnificent ministry please notify us.

Hospitality: We have 3 teams now for the Sunday morning roster however we could always welcome other teams to spread this roster out a bit. There is still only one team looking after the Sunday evening roster (once a month).

Care & Concern: This wonderful group distribute home communion to the sick. We have recently lost one of our teams and is after a couple more people to join. This group also provide transport for elderly who would like to attend Mass but have difficulty in getting here. This group also provides hospitality after funeral ceremonies on request.

Mass Coordinator needed:

A position has become available for a Mass Coordinator on a Saturday evening at 6:00pm Mass.

**Volunteer application forms are available at the back of the church.
Please complete and return to our Parish Office.**

During the week I celebrated my birthday. My day commenced with the Year 2 liturgy and a choir of young voices singing me 'Happy Birthday'. That evening the Parish Pastoral Council held their meeting and it finished on a high with an amazing birthday cake. Thank you to the school and the members of the PPC for making my day so special.

On Monday the Culture Leaders attended a Spirituality Day at St Rita's Primary School Victoria Point. Titled **"You Are The Now"** this formation day was designed as a **Living Liturgy**. Each element of the program, from the initial welcome to the setting up of the sacred space, through to the lunch breaks, group activities and final commissioning, build on each other to form one day-long liturgy.

Being a **living liturgy** is the foundation of the entire formation experience as the students came to realise that they can spread Jesus' joyful message all day and every day through their words and actions. The challenge they are left with now from the day is to become the **5th Gospel** by going out into the world and living the Gospel as the now of God.

Bequests to St. Edwards Parish

The writing of a Will can be a very gratifying knowing that you have looked after your loved ones with your wishes. We would like to invite you to consider making a bequest in your Will to help your Parish with the needs for future projects. Any bequests no matter how big or small would be gratefully received and applied to the growth of our community. **Thank you.**

We can use your postage stamps from your mail

The Salesian Missions use the old stamps that are passed on to them to raise funds. These go towards Salesian Education and relief work in developing nations. Yes the Postman does not have to stop by often, but on that rare occasion he does and on that envelope, if there is a stamp, can you please pass this onto us? We have placed a collection box for stamps in the parish office. **Thank you.**
