I like visiting the beautiful Darling Downs when I'm on my way to Brisbane. I pass rows and rows of corn when I'm driving. As the season progresses, I watch spring's green sprouts turn into summer's tall stalks. It's a miracle. But it also depends on farmers who know how to plough.

In this week's Gospel, Jesus compares discipleship to ploughing. Christians are like farmers. They bring new life into the world because they plough forward with their faith – something you can't do if you're always looking back to the past.

Should you ignore your past? No.

I have a friend who made a lot of mistakes in life. He wanted to become more Christian but found it difficult. Why? He never learned from his mistakes or apologised to the people he hurt. As a result, he could never plough forward. By ignoring the past, he actually became stuck in it.

Following Christ doesn't mean forgetting past mistakes and moving ahead. That doesn't work. You can't move forward in life with Jesus until you learn from mistakes and reconcile broken relationships.

Deal with your past mistakes and shortcomings. It will help you set a hand to the plough, move forward, and bring new life into the world.

Take a look at where your time is spent. Are you spending too much time doing things that don't matter?

Do you spend enough time with people you love or perusing worthwhile opportunities?

Spend time this week focussing on someone else's needs and not worrying so much about your own needs.

The Question of the Week is if a word or phrase from the Gospel grabs your heart: sit quietly for a few moments, repeating it to yourself and asking God to show you how it applies to your life. Perhaps even journal on the following question:

*What past shortcomings or
broken relationships hold you
back?*

*How has your past made you a
better disciple?*

On the week end 06—07 July, we will take up the Peter's Pence Collection, which provides Pope Francis with the funds he needs to carry out his charitable works around the world. The proceeds benefit our brothers and sisters on the margins of society, including victims of war, oppression, and natural disasters. Please be generous. Q. Why is the Holy Eucharist the paschal banquet?

The Holy Eucharist is the paschal banquet in as much as Christ sacramentally makes present his Passover and gives us his Body and Blood, offered as food and drink, uniting us to himself and to one another in his sacrifice.

Q. What is the meaning of the altar?

The *altar* is the symbol of Christ himself who is present both as sacrificial victim (the altar of sacrifice) and as food from heaven which is given to us (the table of the Lord).

SVDP—THANK YOU!

Thank you for supporting the St. Edwards St. Vincent De Paul Winter Appeal. Through your generous donations we raised approx. \$1,500.

In addition to the financial contributions you have generously given blankets, warm clothing, food and furniture. The impact of your generosity is invaluable for someone experiencing homelessness or living in poverty.

The work of the Society is not just about providing immediate relief to the poor, the homeless, the mentally ill, the unemployed and so on. In accordance with our founder's aims, St Vincent De Paul tries to provide systemic change that will give those who are in need opportunities for a better life and a hopeful future.

Thank you for supporting us to offer a hand up this winter to those in our local community.
